The Payroll Giving Quality Mark

What is the Payroll Giving Quality Mark?

It's a new scheme that recognises and rewards organisations of all sizes for making Payroll Giving available to their staff. The Quality Mark comprises a certificate and logo as well as Bronze, Silver and Gold Awards.

How will my organisation be recognised and rewarded?

At its most basic level, employers with a Payroll Giving scheme will receive a certificate and logo for use on your letterheads, websites and other literature.

This acknowledges that you have implemented Payroll Giving and demonstrates your commitment to the good causes your employees care about.

About the Awards

The Awards reward employers for fostering a culture of committed giving in the workplace by actively promoting Payroll Giving. Awards will be allocated on an annual basis by your PGA.

Awards are available for organisations that achieve minimum staff participation rates and employer support as outlined opposite.

Gold Awards are the highest symbol of excellence, recognising those employers that are making a difference together through Payroll Giving, benefiting good causes and employees alike.
